

Rick Rock[®] CUSTOM GUITAR PICKS

“For Effective and Economical Music Promotions”

The Rick Rock[®] Guitar Pick is the ultimate hard guitar pick and is produced with a custom photo quality image that will never fade, trapped inside a transparent 3D effect. Our manufacturing technique offers longer pick durability and better tone. Rick Rock guitar picks are available in “Standard” or “Jazz” shapes and in “Bulk” or “Clamshell” packaging.

Custom "Acoustic Guitar" Pick Guards

Our Rick Rock® "Acoustic Guitar" Pick Guards have a photo quality custom imprint with a 3D domed effect that will fit all common acoustic guitars. Produced using a superior repositionable adhesive backing for easy installation without leaving an adhesive residue.

The ultimate customization of any acoustic guitar. All Rick Rock® pick guards are packaged in a reusable header bag with placement instructions. Only use on lacquered or varnished guitars.
