

DOG TAGS

Our lightweight Dog Tags are produced without a metal backer and have a single or double-sided 1.2" x 2" photo quality domed imprint. Our Dog Tags can be produced with your choice of 30" Ball Chain, Zipper Pull, Cell Phone Charm or Key Chain attachment. They can be personalized for identification programs and can be produced with a transparent effect or glow in the dark backgrounds. Pricing includes our "Executive Style Packaging" which easily allows the insertion of a business card for additional marketing and sales impact.
